

Immigrants Move Beyond Traditional Gateways

Change in foreign-born adults as a share of total adult county population from 1990 to 2012

Note: Change in foreign born as a share of total county population is equal to the percentage point difference between the percent of the county population that was foreign born in 2008-2012 compared with that for 1990. Excluded counties are those with fewer than 1,000 residents in 1990 or for which no data were available.
