

POWER Act (S. 1516/ H.R. 2657) Endorsers

114th Congress
updated April 2016

The Power Efficiency and Resiliency (POWER) Act is supported by over 240 businesses, trade associations, non-profit organizations, and research institutions, including:

National/ multi-state organizations:

American Gas Association	Northeast Clean Heat and Power Initiative
CHP Association	Sheet Metal and Air Conditioning Contractors' National Association (SMACNA)
Green Alliance	The Alliance for Industrial Efficiency
Health Care Without Harm	The Heat is Power Association
Industrial Energy Consumers of America	The Pew Charitable Trusts
Midwest Cogeneration Association	World Alliance for Decentralized Energy
National Electrical Contractors Association	

State and local organizations:

City of Reno	Oakland University Clean Energy Research Center (CERC)
Communities for Advanced Distributed Energy Resources (CADER)	Ohio Advanced Energy Economy
Desert Research Institute	Ohio Environmental Council
Maine Renewable Energy Association	OU INC
Maine State Chamber of Commerce	Saginaw County Chamber of Commerce
Michigan Energy Innovation Business Council	Southwest Energy Efficiency Project
National Electrical Contractors Association, Penn-Del-Jersey Chapter	Sustainable Nevada
Nevada Manufacturers Association	Tennessee Solar Energy Association
Nevada Small Business Development Center	University of Nevada, Reno
North Dakota Alliance for Renewable Energy	Utah CHP Working Group

Businesses:

2G Energy, Inc.	C2 Biotechnologies, LLC
4 Thought Energy	Cannon Boiler Works
8020 Vision	Caesars Entertainment Corporation
Advanced Energy Management Inc.	Capstone Turbine Corporation
Aegis Energy Services, Inc.	Carr & Duff, Inc.
Alodyne	CDM Smith
Ameresco, Inc.	Charles H. MacDonald Electric, Inc.
AMS Energy Corp.	Cianbro
Armaterra	Cirque Energy
Arup	CLEAResult Consulting
ASI Energy	Cleveland Brothers Equipment Co. Inc.
Atlantic Energy Concepts	Climate Engineers
Axiom Engineers, Inc.	CM Constructors, Inc.
Banwell Architects	Coffman Electrical Equipment
Blue Harbor Energy	Cogeneration Consultants
BlueEarth	Cogen Power Technologies
Blue Mountain Resort	Consolidated Energy Design, Inc.
Brady Trane	Cool Energy, Inc.
Brayton Energy, LLC	Cornerstone Sustainable Energy (CSE)
Broad U.S.A., Inc.	Cube at Midtown
Burns Engineering, Inc.	Cummins Inc.
