

## Capitol Hill Briefing

# Reducing Antibiotic Resistance: Lessons Learned in Denmark

*In collaboration with Sen. Dianne Feinstein, Rep. Louise Slaughter and Rep. Howard Berman*

***Please join us for a discussion with leading international experts who have first-hand knowledge of Denmark's experience in ending the routine use of antibiotics in healthy food animals. Panelists will include: an official from the World Health Organization, a veterinarian from Denmark's Technical University, the proprietor of a Danish hog farm and a scientist from Denmark's State Serum Institute.***
