

Home Visitation and Community-Based Program Referral Form

Middlesex/Somerset Central Home Visitation System

Guidelines & Instructions

The Middlesex/Somerset Central Home Visitation System places referred women and families into appropriate home visitation and community-based programs based on program eligibility factors. Clients will be referred to evidence-based home visitation and additional services as indicated.

To refer a client to additional community-based services, please choose the service(s).

- Choose 'Middlesex County Patient Navigator' to refer women to a Patient Navigator.
- Choose 'Becoming a Mom / Comenzando Bien' to refer pregnant women to group education.

The form must be completed by the referring staff person and client must sign the consent statement. Upon completion, fax to Caitlin Sulley at (732) 937-5540. For any questions, call (732) 937-5437.

Free and Voluntary Programs for Maternal and Child Health

Clients may be referred to the following program(s) and contacted by outreach staff. If a client is ineligible for a program, information will be provided regarding additional community resources.

HOME VISITATION PROGRAMS

Nurse-Family Partnership (NFP)

United Way of Central New Jersey, Visiting Nurse Association of Central Jersey

NFP is a national evidence-based nurse home visitation program that improves the health of low-income, first-time parents and their children who reside in Middlesex County and Franklin Township. The program is voluntary and no cost to client. Enrollment to the program is early in the pregnancy (before the 28th week). NFP will work with the mother and family until the child is 2 years old. *Bilingual staff*

32 Ford Avenue Milltown, NJ 08850

Phone-(732) 247-3727 ext. 36 Contact Person: Denise Andino

Healthy Families (HF)-TANF Initiative for Parents (TIP) Middlesex and Somerset County

Central New Jersey Maternal and Child Health Consortium

HF is a free and voluntary home visitation program that provides education, support, and parenting skills to pregnant women and parents with infants who reside in Middlesex and Somerset Counties. The HF-TIP Program targets parents receiving TANF or GA benefits through the County Board of Social Services. HF participants may enroll during pregnancy until the child is 3 months old and HF-TIP participants may enroll until the child is one year old. *Bilingual staff*

2 King Arthur Court, Suite B, North Brunswick, NJ 08902

Phone-(732) 937-5437 Contact Person: Myrna Torres

Healthy Families (HF), Perth Amboy

Visiting Nurse Association of Central Jersey

HF Perth Amboy is a free and voluntary intensive home visitation program by specially trained Family Support Workers who provide education, support and parenting skills to parents and their children who reside in Perth Amboy. Referrals will be taken during the mother's pregnancy through the child's third month of life. HF Perth Amboy will work with the mother and family until the child is 3 years old. *Bilingual staff*

313 State Street Suite 416 Perth Amboy, NJ 08861

Phone-(732) 362-8040 Contact Person: Elba Pesquera

Somerset County Parents as Teachers (PAT) Program

Somerset County Office of Youth Services, Central New Jersey Maternal and Child Health Consortium

Somerset County PAT Program is a free and voluntary home visitation program serving pregnant women and families with children 0-3 years of age. The program believes that parents are their children's first and most important teachers and provides services including education, support, and referrals to community resources. Participants must reside in Somerset County and may enroll until the child is 2 years old. *Bilingual staff*

27 Warren Street Somerville, NJ 08876

Phone-(908) 704-6333 Contact Person: Linda Porcaro

Parent-Child Home Program (PCHP)

United Way of Central New Jersey

PCHP is a free and voluntary evidence-based home-based program serving families with children of 16-36 months who are at risk of educational disadvantage and reside in Middlesex County or Franklin Township. A trained Home Visitor visits a client's home for one-half hour two times per week. The Home Visitor brings a book or toy to the home and demonstrates its usage to promote early literacy skills, social emotional development, and stronger interaction between parent and child. *Bilingual staff*

32 Ford Avenue Milltown, NJ 08850

Phone-(732) 247-3727 Contact Person: Sara Spatz

COMMUNITY-BASED PROGRAMS

Access to Care: Patient Navigator (PN) Program

Central New Jersey Maternal and Child Health Consortium

PN Program is a free and voluntary service for Middlesex Cty. patients who are pregnant, plan to become pregnant, or are in need of supportive services. PNs connect women to services by helping them navigate the healthcare system. PNs provide support and information in a variety of ways, including scheduling and accompaniment to appointments, making home visits, and helping to clarify insurance issues and healthcare questions. *Bilingual staff*

2 King Arthur Court, Suite B, North Brunswick, NJ 08902

Phone-(732) 937-5437 Contact Person: Betsy Coffin

Becoming a Mom / Comenzando Bien

Central New Jersey Maternal and Child Health Consortium

Becoming a Mom / Comenzando Bien is a free and voluntary group prenatal education and support program for pregnant women. Classes are held in English and Spanish at various sites in Perth Amboy, New Brunswick, and Franklin Township. Education is provided on the importance of prenatal care and healthy pregnancy and delivery. Women are connected to local resources and have the chance to meet and talk to each other. *Bilingual staff*
